Each game is worth 25 points towards your grade and you lose 1 point for each minute you are late.
Being punctual is a life skill that will benefit you later – BE ON TIME!!!

ALL PEP BAND performances are required unless an absence form is turned in **PRIOR TO THAT NIGHT.** Having to work is not an excuse, this is why you are getting your schedule now. Please plan around these dates! Get an extra schedule and take to your work!

The uniform for all games is your orange BAND shirt unless otherwise specified. **You will lose 5 points for not being in uniform.** We must do a better job of being prepared for games.
